

Knit APA Style with LaTeX, knitr and R

Bodong Chen
University of Toronto

Abstract

[place...holder...]

Keywords: latex, apa, academic writing, r, reproducible research

Introduction

I am going to write my introduction section here (Tufte, 2006). Tufte (1990) says this section will be automatically embedded in Master.Rnw.

Please note the references above are purely for testing.

Section 2

Write whatever here.
